

# The City by the Lake, Hendersonville, TN Public Works

## Fall 2016

### Chip Moore Named Municipal Servant of the Year

Mayor Foster and Director Chip Moore

#### CLEAN TENNESSEE ENERGY GRANT

Public Works has been awarded a grant of \$13,530 to upgrade City Hall lighting to LED that will result in savings.

#### NEW SHACKLE ISLAND RD.

Utility conflicts have extended the completion date to mid-December for final paving.

#### VOLUNTEER DRIVE

Paving projected to be late October.

From the Director ....

I have not yet had the chance to thank those who helped me win the 2016 Municipal Public Servant of the Year Award. Due to some miscommunication, I was not able to attend the banquet, and there was a lot on the last BOMA agenda. I wish to first thank the people of our Public Works Department: supervisors, engineers, office managers, road and building departments employees, and stormwater employee have all worked with a high degree of professional acumen and efficiency. The Finance Department has been diligent in their assistance with budgets and State reimbursement procedures. The Planning Department has been very helpful with the CDBG projects and great at communicating through the development process. Personnel has been very helpful in the process of the new career path we implemented last year at the Road Department. Support from the Public Works Committee and help from the Mayor allowed Public Works to stay on track to begin and finish several projects. All these people have thankfully suffered through my numerous ideas to help in two years develop a top notch program. I want them to get the accolates they deserve, I could not have received this award without their help.

James "Chip" Moore, P.E.  
Director  
Public Works **"Always There"**

**Pavement Management Data** collecting will begin soon. Data Transfer Solutions vans with radar scanners and cameras will be driving every road in the city.

-----  
**Storms of July and August**

The City Public Meeting on drainage was very well attended. Several areas have been visited and Public Works is developing solutions to the issues. Funding is very important and the City is looking at options with CDBG programs, TEMA/FEMA Hazard Mitigation Grants and the Stormwater Utility Feasibility Study.

Lee Groves joins Property Maintenance Staff - Donnie Hogan, Lee Groves, Andy Cassetty

Welcome New Equipment Operators  
Anthony Tate, Dave Cowan, Mike Shaw

## ***Around Town***

### **Community Limb Disposal Days**

Saturday, October 29  
Saturday, November 19  
Saturday, December 17  
7 am – 3 pm

501 Forest Retreat Road

Call 615-822-1007 for information  
about limb/brush collection.

-----

## **PAPER BAGS FOR LEAVES**

**Beginning November 1, paper bags for leaves will be available at no charge at Fire Stations, Southern Nurseries and Green Village Recycling for residents to collect their leaves and put them to the curb.**

By using paper bags, residents will be saving taxpayer dollars and assist in keeping the disposal cost lower due to reduced tipping fees.

-----
