P. Signs on the public right-of-way except as follows:

- Public signs erected by or on behalf of a governmental body
- Informational signs of a public utility regarding its poles, lines, pipes, etc.
- Bus stop signs erected by a public transit company
- Emergency warning signs erected by a governmental agency, public utility, or contractor doing authorized or permitted work within the public right-of-way

Q. Signs which constitute a traffic hazard as follows:

No signs shall be erected and there shall be no lighting of signs or premises in such a manner or in such location as to obstruct the view of or be confused with any authorized traffic signal, notice or control device, or with lights on any emergency vehicle, or to create hazards or distractions to drivers because of direct or reflected natural or artificial light, flashing, intermittent or flickering lighting, real or apparent movement. Any such signs or light sources shall be removed at the direction of the Public Works Department. If not removed by owners or occupants of the property within 10 days of notice, the Planning Department shall otherwise remove the signs and the cost of removal shall become a lien against the property until satisfied.

Any signs that violate the above regulations will be removed by City Staff. Also, a fine may be assessed per sign.

If you have any questions or need further information, please contact the City of Hendersonville Planning Department at 264-5316.
