

**Local Amendments to the
2012 International Swimming Pool and Spa Code**

Section 101 General is hereby amended by adding the following new subsection:

“R101.5 All references in this code to flood prone areas shall comply with Hendersonville’s adopted Flood Insurance Program requirements as shown on the current Flood Insurance Rate Maps (FIRM) or the Flood Boundary and Floodway Maps (FBFM) provided by the National Flood Insurance Program. Any conflicts between the requirements contained in this code and those contained in the Flood Insurance Program, the Flood Insurance Program shall apply.”

Section 102.9 is hereby amended by the addition of the following language:

“All aquatic vessels which meet the definition of swimming pools as contained in T.C.A. 68-14-802(3) must fully comply with all provisions of T.C.A. Title 68 Chapter 14, commonly known as Katie Beth’s Law.”

All references to the “*Department of Building Safety*” contained within Section 103, including any other such references within the code, shall be determined to be the “*Department of Building and Codes*.”

Section 108 Means of Appeals shall be amended by the deletion of Section 108.2 – 108.7 and adding the following language to Section 108.1:

“The Board of Appeals referenced in this code shall be construed to be the Board of Appeals as established by the adopted IBC.”

Section 320.1 Backwash water or draining water. is hereby amended by adding the following language to the last sentence:

“...and shall not be allowed to directly or indirectly drain across adjacent properties.”
